

Sidemount

test event

at May 3rd 2014 in KRONAU

INVITATION

Europes biggest sidemount test event

Don't miss the chance - Experience the difference.

Seahorse Kronau and Team Sidemount-Forum invite you for a unforgettable day. Unlimited testing of sidemount systems, regulators and dry suits.

The diving season has just begun and you are looking for a new challenge for 2014?

The visit **Europes biggest sidemount test event¹** which takes place on Saturday, May 3rd 2014 from 9 am. The event takes place **Seahorse Kronau**.

What is planned for you?

Almost all well-known **sidemount systems, regulator and dry suit manufactors** as well as representatives of the diving organisations present themselves exclusively for you on this day.

You will be able to test many sidemount systems in the water² as well as outside the water – and if you are satisfied you can buy³ immediately. We will provide an exciting under water parcours. Also we have dry suits⁴ available for testing.

We have planned an interesting **supporting program**. Exciting lectures by Achim Schlöffel, Thomas Kromp and others plus a little **Dive & Dance fashion show** will keep you busy during the whole day. A komfy fade out of the day will be a **live band**. The team of Seahorse Kronau will cover your physical well-being with BBQ and more.

You have a longer drive to the test event? Carsten⁵ can help you with lots of different accommodation facilities and contacts – from camp sites to bed & breakfasts and hotel rooms everything is covered.
